

You're invited to join us for the
PAC Demo Hour+
at the
PAC World Americas Conference 2018

When: Tuesday, August 21st @ 5:30pm – 7:30pm or later...

Where: Raleigh Convention Center
500 South Salisbury Street, Raleigh, NC 27601

PAC World is opening up the exhibition area of the Americas Conference to all PAC specialists who are interested to meet with our exhibitors. Enjoy some lite munchies and a cash bar while you see a demo, learn about what's new, and talk to our exhibitors at no registration charge to you. Details about the conference and its content are on our conference website: <http://conference-americas.pacw.org>. (Or register now to attend the actual conference)

Who will be there (so far):

<i>Platinum Sponsors:</i>			
<i>Silver Sponsor:</i>		<i>Bronze Sponsor:</i>	
		<i>Lanyard Sponsor:</i>	

Additional Exhibitors:
AMETEK Kalkitech (ASE) IPS-Energy Hubbell / RFL
Megger Kyland Corporation

What is it about:

The purpose of the conference is to bring individuals from around the world involved in the electric power systems industry to review what is new and upcoming. There are 3 days of presentations covering 58 oral papers, an interactive poster papers session and an "Ask the experts" panel. Please view our website to see more about the conference and its content: <http://conference-americas.pacw.org>.
